## That's Why it is Imperative That We Must Unload

Men must take these bargains now or wait another year. It's the grandest chance on earth to buy the best that's made. You benefit and so do we. It's so close to the end of winter that we must clean the tables quickly, so that there may be nothing left over. Radical Reductions like these will clean them out surely.

## CORONA A HOPELESS WRECK

Pauls Averted by Olin Behavior of the Crew—Capt. Olin, of the Steamer, Was Driven—Passengers Taken Off by Lifeboat After Narrow Escape.

Remed. Col. March 4.—The steamer Corona (Capt. Olin) was driven in the Pacific Coast Steamship Co. service between Seattle and San Francisco, last stranding on the north end of Humberston Island, near the mouth of the Columbia River.

With nearly 100 passengers aboard, the vessel struck on Saturday night. Captain Olin was attempting to run the vessel in a strong wind and rough sea.

Women were taken off the wrecking vessel, and the rescue work was continued from the shore. The passengers embarked on the steamer, where they were taken ashore, and the rescue work was continued from the shore.

Boat after the ship struck a boat in the water. The steamer was lowered. It contained three boats. This boat escaped at once in the water. The other two boats were wrecked.

A second boat in charge of Second Officer V. J. Johnson, was also wrecked. The boat was taken off the wreck.

Several attempts were made to tow the steamer, but it was too late.

Finally Capt. Olin, of the steamer, was rescued. The steamer was taken off the wreck.

When the steamer was taken off the wreck, it was found that the steamer was a total wreck. The steamer was taken off the wreck.

No need to say much about the beauty, style, distinction, and good taste of the Ford Millinery. You have freely acknowledged that long before now. Suffice it say that we are for bigger businessness than ever.

There's a sufficient showing of the styles that indicate the correct trend of fashion. Becomingness is assured from this splendid variety. There are hats both large and small, hats practical and picturesque, with numerous conceptions in hats between. There are bonnets and toques for the elderly folks. There is rich and elegant mourning millinery. There are charming hats for Misses and big little girls.

Good taste reigns supreme at this store, but economy sits at the right hand.
